

**Ramapo**  
for Children

Founded 1922

*Inspiring Children. Enriching Lives.*

Dear Chairperson,

We would like to enlist your aid in announcing this unique educational summer job opportunity to your students.

Camp Ramapo is one of the few residential summer camps serving children with emotional, behavioral, and learning problems. Ramapo provides a safe, predictable, and highly structured environment, which fosters the development of positive social and learning skills. An overall one-to-one staff-to-camper ratio helps children who have repeatedly met with failure experience success.

In addition, Ramapo offers an on-site college course through the National Program on Non-collegiate Sponsored Instruction. This course can be listed on an official university transcript for up to 6 semester hours of college credit through Regents College of the University of the State of New York. This course can be credited in one of the following disciplines: Education, Special Education, Educational Psychology, Therapeutic Recreation, Group Dynamics, Outdoor Recreation, Physical Education, Recreation, Camp Counseling, or Community Service. Your department may also have a fieldwork or independent study course which can be combined with this work.

Thank you for apprising your students of this excellent opportunity for personal and professional development.

Sincerely,

Michael Kunin  
Director

Scott Kemp  
Director of Operations

Jennifer Buri da Cunha  
Assistant Director
